

NEVER OUT OF STOCK

EMILY & NOAH

Collection

” *PETA (People for the Ethical Treatment of Animals) continuously works in collaboration with many companies in the fashion industry to bring animal-friendly styles and designs to the market and into stores. With the „PETA-Approved Vegan“ logo, consumers will be able to easily identify all products without animal ingredients at a glance.*

We are very proud that our bags, backpacks, and wallets have been PETA-certified since June 2021.

“

EMILY&NOAH

64990.500

Classic pieces on demand.

In addition to the wide variety of shapes and colours in the seasonal collection, EMILY & NOAH offers a NOS range for particularly high-selling bag models that are always in fashion at fair prices.

We primarily use corn as a renewable raw material for the production of our packaging bags. This means that they are biodegradable and decompose into biomass, carbon dioxide, and water during composting through microorganisms.
