BAG FASHION  
NEVER OUT OF STOCK.

## THE SURI FREY NOS ASSORTMENT.

WITH OUR NOS ASSORTMENT, WE OFFER YOU AN ATTRACTIVE SERVICE FOR PARTICULARLY BEST-SELLING BAG MODELS THAT NEVER GO OUT OF STYLE!

The SURI FREY brand is at the forefront of the fashionable women's bag market – as shown by the recent image analysis Fashion Bags 2024 from the renowned trade magazine Textilwirtschaft. With an impressive 76% approval rating, SURI FREY was recognized by 110 purchasing managers as the most attractive offer in the non-leather bag segment. This success, which surpasses the top ranking from 2019, is evidence of a consistent focus on fashionable designs, optimal availability, and an unbeatable price-performance ratio.

The NOS collection from SURI FREY is a true sales wonder that is also worthwhile for you: fast-selling bestsellers that are continuously available ensure a high sell-through rate and increase profitability in your business.

## ” PETA-Approved Vegan

PETA (People for the Ethical Treatment of Animals) continuously works in collaboration with many companies in the fashion industry to bring animal-friendly styles and designs to the market and into stores. With the „PETA-Approved Vegan“ logo, consumers will be able to easily identify all products without animal ingredients at a glance.

We are very proud that our bags, backpacks, and wallets have been PETA-certified since June 2021.

EDI - ELECTRONIC DATA INTERCHANGE.

## PROCESS DIGITISATION FOR YOUR BUSINESS SUCCESS..

The fundamental and decisive advantage of using EDI (NOS resupply is also possible) lies in the fast, intervention-free and universally understandable transmission of digital information between business partners. This results in maximum rationalisation of business processes. In combination with an EDI connection, the brand offers an all-round carefree package that simplifies the ordering process and optimises the flow of goods – for maximum efficiency and guaranteed sales.

Rely on a product range that is characterised by fashionable, up-to-date products and reliable availability. Benefit from the strength of a brand that convinces retailers and inspires your customers.

## ” High-quality, vegan materials

A clear objective is to offer lifestyle and trends at an attractive price-performance ratio, using vegan, high-quality materials and ensuring the best possible processing quality.
